Sir,

Re - Sanction of a site for construction of a Sports Pavilion for the use of the 3 colleges in Davanagere and the Davanagere Cotton Mills
-- 0 --

L Sanction

I write to state that the Deputy Commissioner, Chitaldrug District stated in his D O letter No P C 62/53-54 dated 14-9-53 (copy enclosed that in view of the great necessity of a suitable Sports Pavilion in Davanagere City, that Sri Rajanahally Ramasetty, Managing Director, Davanagere Cotton Mills agreed to donate Rs 15,000/- for construction of the Sports Pavilion besides getting the ground levelled and meeting other incidental expenditure and requested ~~that~~, that the site formerly allotted to Kothi Veera-ppa's High School, since not used for that purpose, may now be allotted for this purpose

The site referred to by the Deputy Commissioner is a site measuring 525' by 600' in the middle class colony, fifth ward, P J extension Davanagere City, opposite to D R R Occupational Institute and was granted free of cost by the Council in its resolution No (3) dated 22-11-48 to Koti Veerappa's High School and this grant approved in Government Order No L 7914-7/M1 110-48-32 dated 12-1-49 (copy enclosed) Since the grantee was granted a separate site opposite to the T B - Hospital this grant was not utilized and the site is now vacant

The Municipal Council considered the subject at its Special meeting held on 18-9-53 and resolved in its resolution No 18 as per - extract enclosed that this site may be granted free of cost for - erection of the Sports Pavilion under certain conditions xxx as mentioned in the resolution

There being no suitable sports pavilion in Davanagere City, the present site selected being in the Middle of the 3 colleges, is very convenient for all the College students of Davanagere City There being a ready donor for erection of the Sports Pavilion, it is likely that the building will come up very early for the use of the student

population of this growing city

In the circumstances, I request that sanction of Government may kindly be obtained for this grant free of cost as per terms mentioned in the resolution and that the orders may very kindly be communicated early

Sub - Donation by Sri Rajenahalli Ramasetty,Managing Director, Davanagere Cotton Mills for putting up a sports pavilion for the use of the 3 colleges and the town

---

A long felt want of Davanagere City is a good play ground with a pavilion for the use of the three colleges and the town The Davanagere Cotton Mills have come forward with a donation of Rs 15,000/- for putting up a pavilion and other incidental expenses for levelling up the ground Recently when I was at Davanagere, I inspected along with the Municipal Commissioner, Sub Division Officer, principals of the 3 colleges and the Executive Engineer, a site which was formerly assigned for construct -ing Nothi Veerappa's High School, The opinion is unanimous that this site is best suited for locating a play ground with a pavilion I am already in touch with the Chief Engineer to spare a bull dozer and cater-pillar for levelling up the ground

I request you to place this subject before the next meeting or at a special meeting to grant the site which was formerly allotted to - Nothi Veerappa's High School After completion of the pavilion, the same will be harded over jointly to the 3 principals, a representative from the Municipal council, and a representative from the Davanagere Cotton Mills It is also stipulated that whenever the ground and the pavilion is wanted by the Davanagere Cotton Mills,the same should be placed at their disposal I have also assured Sri Rajenahalli Ramasetty, Manag- -ing Director of the Davanagere Cotton Mills that this pavilion will be named after the "DAVANAGERE COTTON MILLS"

This may be treated as extremely urgent and action taken thereon may be intimated to me very early so that immediate arrangements may b made for levelling up the ground and starting construction of the pavi- -lion

Thanking you
